Dear Sunlake Families,

Each year we spend our money on all kinds of things, but what is worth more than a quality education and enriching school programs? This year, the Sunlake PTSA would like to try a Direct Appeal Campaign to raise much needed funding for our school. The PTSA would use portions of the monies collected to help fund such programs as the annual kickball game, anti-bullying programs, staff and student appreciation, teacher grants and Senior student grants for college. We hope that you will consider donating to our campaign where 100% of your donation will go to work for Sunlake students and staff. We are hoping to reach a goal of \$5000, but to reach this goal, we need the help of our Sunlake families.
