### MEMORANDUM

To: Parent(s)/Guardian(s)  
From: Patricia Howard, Senior Manager  
Re: Athletic Excess Coverage

The Pasco County School Board will provide excess student athletic insurance coverage administered by School Insurance of Florida for all student athletes. The plan provides limited excess coverage for medical expenses that arise from the treatment of accidental injuries incurred while a student participates in school interscholastic sports during the regular school term and as sanctioned by the Florida High School Athletic Association.

Please take the time to read the attached policy information explaining the coverage under the athletic insurance plan; the limited schedule of benefits, and the maximum amount payable on certain expenses. The program is based on all athletes being covered with the payment of medical expenses made **ONLY IN EXCESS** over all other family or employer group insurance or plan. The plan will not pay for 100% of all billed charges. You must file a claim with your primary insurance first.

**The Pasco County School Board has a list of preferred medical providers who are aware of the benefits provided under the excess student athletic insurance policy. These medical providers have shown an interest in charging for services according to the policy limits. Their continued support has kept the insurance premium more affordable for the Board and minimizes any out-of-pocket expenses for parents. Visit [www.schoolinsuranceofflorida.com](http://www.schoolinsuranceofflorida.com) to print an up to date listing of these medical providers.**

Although the use of these preferred providers is voluntary, we encourage you to use these providers especially when the athlete is not insured under any other valid and collectible insurance or plan. **NOTE: THIS IS NOT A GUARANTEE OF PAYMENT FOR MEDICAL SERVICES. YOU MAY ENCOUNTER CERTAIN OUT-OF-POCKET EXPENSES WHEN YOUR SON OR DAUGHTER IS TREATED FOR ACCIDENTAL INJURIES.**

Again, be sure you read the insurance information and follow the correct procedures in the event an accidental athletic injury requires medical treatment. **If you have any questions regarding this coverage, please contact School Insurance of Florida at 1-800-432-6915 or [www.schoolinsuranceofflorida.com](http://www.schoolinsuranceofflorida.com).**

## **2014-2015 PASCO COUNTY SCHOOL DISTRICT INTERSCHOLASTIC SPORTS ACCIDENT INSURANCE SUMMARY**

### **IMPORTANT NOTICE TO PARENTS OF PASCO COUNTY SCHOOL DISTRICT STUDENT ATHLETES**

Your school is very interested in providing a safe environment for all students. However, accidents do happen every day during school activities. Therefore, the School Board of Pasco County purchases an interscholastic sports accident policy for student athletes. We strongly urge all parents to read this description of coverage in case an accident occurs during a sports practice or game. This policy may not pay for 100% of all medical expenses due to the limits of the policy as described below. The school cannot accept financial responsibility for any expenses due to interscholastic sports related injuries or any expense not covered by the school insurance policy.

The policy insures Senior High and Middle School student athletes and cheerleaders while they are participating in school supervised interscholastic sports practice sessions and games during the regular school term. Student athletes and cheerleaders are also protected during group travel in a school bus or van to and from the school and a covered interscholastic athletic event site. Travel in vehicles not owned or operated by the school is not covered.

Pasco student athletes injured while practicing for or competing in interscholastic sports during the regular school term sports season, as sanctioned by the Florida High School Athletic Association, may file for policy benefits. Pasco athletes that may be injured during off-season, school sponsored 'conditioning programs' that are scheduled and directly supervised by the school coach are also entitled to file for policy benefits. 'Conditioning' is defined as cardiovascular and interval training, weight training, stretching, plyometrics. Injuries sustained during competition or practices in summer sports leagues, summer contact football practices/drills or private camps or private schools are not covered by the Pasco sports policy.

**The School Sports policy is EXCESS INSURANCE. The policy will not allow anyone to profit by collecting duplicate benefits from several insurance sources.** Any benefits that could be collected from any other insurance, PPO, HMO or other available source of coverage must pay first. If primary HMO or PPO coverage is available through your employer-sponsored plan, you should use the HMO or PPO approved doctors, hospitals and other providers for treatment of your child's injuries. If you do not use your available primary HMO or PPO networks, the school sports policy benefits will be reduced and you will be solely responsible for paying any unpaid medical bills not covered by the school sports policy.

### **SPORTS POLICY MAXIMUM BENEFIT LIMITS**

The sports policy may not pay for all sports accident related medical expenses. **Some bills may exceed the limits of the policy. Visit [www.schoolinsuranceofflorida.com](http://www.schoolinsuranceofflorida.com) for a listing of providers in your district.** The maximum policy benefits are listed below. For a claim to be considered eligible for policy benefits, an injured student must receive medical treatment by a licensed physician within *sixty (60)* days after the date of the original covered accident. The policy will pay for necessary, eligible medical treatment expenses that are rendered within 52 weeks after the date of a covered accident based upon the following policy limits:
