

## 2015-2016 Parking Information & Policies

Students who are eligible to drive according to Florida law and attendance standards are allowed to park on campus by purchasing a parking tag. All student drivers are expected to follow all parking procedures and policies, including fully registering the car with the school and attending the "Safe Behind the Wheel" driving course. If students have not yet taken this class, they may sign a promissory note that they will take this class the first time it is offered. Parking at Sunlake High School is considered a privilege and these policies should be completely read and understood before purchasing a tag.

Those students who submit parking information on registration day will receive a temporary parking tag on that day. All other students will need to see Mr. Johns in his office to confirm their registration and pick up their parking tag. No student will be able to park on campus without a tag. During the first month of school, all information will be confirmed and final parking tags will be issued.

When parking, students must only use their assigned parking lot on the north side of the campus. Students are NOT permitted to go to their vehicle during the school day. The gates will be locked after first period until the end of sixth period. If this causes an issue with your schedule and you are unable to leave campus due to the gate being locked you must talk to Mr. Johns to resolve your issue.

Students must understand that driving an automobile to SLHS and parking on school property is a privilege and not a right. SLHS retains the right to revoke parking privileges at any time during the school year for violations of the Student Code of Conduct or the Parking Procedures. This includes violations of the attendance policy. Tags will be revoked from students for failure to follow school rules. This may include, but is not limited to, leaving campus without permission, being in the parking lot without permission, excessive absences/tardiness to school, and/or extreme discipline issues.

All students must display the parking hangtag on the rearview mirror at all times. Students who park their car at school without permission or in an unauthorized location are subject to being towed at their own expense or having their car booted.

Please be aware: Upon reasonable suspicion students, lockers, cars, or other areas may be searched for prohibited or illegally possessed substances or objects.

I have read and understood this copy of the SLHS Parking Information and Policies for the 2015-2016 school year. I agree to follow these policies. I understand a copy of this document is available at the SLHS website.

Student Number: \_\_\_\_\_

To receive a parking tag, the student must have and submit:

- A signed policy sheet
- A complete vehicle application
- The \$15 parking fee paid in full
- Completion of the "Safe Behind the Wheel" driving course when offered
- Visual confirmation of the Insurance Policy card under which the student is covered
- Visual confirmation of a valid Driver's License
- A 2.0 Grade Point Average (as verified by the SLHS administration)
- Eligible attendance records (as verified by the SLHS administration)
