

# Community Service

College and Career Center

## Where can I volunteer?

Rec Center, Library, Animal Shelter, Schools, Non-profit organizations.

## Do I need to get them pre-approved?

Not unless your hours do not meet the criteria in the description.

## My organization logs my hours.

You may use your own log, however you must attach the community service form page 1 as a cover sheet to your log/form.

## What is Community Service?

Community Service is charitable in nature, with the goal of benefitting the community and its needs. Community service must be completed outside of a student's regular school day and cannot be eligible for financial reimbursement for services rendered. Activities associated with religious affiliations and take place during normal service hours are not accepted (i.e. choir, usher, church nursery); however, community projects beautifying a community in conjunction with the church are acceptable.
