Students have the option to take online classes via Pasco eSchool or Florida Virtual School (FLVS) as part of their regular 6 period day (not including lunch), or in addition to their 6 period day for either semester or year. An Online Placeholder (on campus or off campus) is added to the schedule if the online class is part of the regular 6 period day.

Please visit <http://eschool.pasco.k12.fl.us/> to register for Pasco eSchool online classes or visit <https://www.flvs.net/> to register for FLVS online classes. After the student has registered for the course, their counselor will check and approve it if everything is correct. Sign up to see your counselor if you have any questions about online courses.

ONLINE COURSE(S) REQUESTED: (If requesting more than 3 online courses, principal permission is needed)

3. _____ (Circle one: **eSchool** or **FLVS**?)

PARENTS and STUDENTS, please read and choose **ONE** of the following **THREE** choices and initial to show your agreement to the expectations of taking the online class on campus or off campus:

Parent Initials	<u>ON CAMPUS ONLINE PLACEHOLDER:</u> I want my student to stay <u>ON CAMPUS</u> at SLHS in the <u>Computer Lab (room 4-137) with an On Campus Placeholder</u> in their schedule for their online course.
Student Initials	<ul style="list-style-type: none"> Students may only be in the Computer Lab (room 4-137) for the period where they have an Online Placeholder, not in any other area of campus. Off-limits areas include, but are not limited to: the parking lot, gym/field, cafeteria, any offices or any teacher's classrooms besides the Computer Lab. Students must be on task at all times and adhere to the District Policy for proper Internet usage. Students may be dropped from one or more online classes if work is not submitted regularly, resulting in failure grades and missing credits that may need to make up outside of the regular school day.

Parent Initials	<u>OFF CAMPUS ONLINE PLACEHOLDER:</u> If it is possible in my student's class schedule, I want my student to be <u>OFF CAMPUS</u> at the beginning or end of the school day, and do their online course work at home with an <u>Off Campus Placeholder</u> in their schedule for their online course.
Student Initials	<ul style="list-style-type: none"> Students must have reliable daily transportation and daily home access to the Internet. Students must be off campus during the placeholder period and may not be in any other part of campus without administrative permission, including, but not limited to: the parking lot, gym/field, cafeteria, and any offices or classrooms. Students may be dropped from one or more online classes if work is not submitted regularly, resulting in failure grades and missing credits that may need to make up outside of the regular school day. Parents must regularly monitor the progress of their student's online coursework. Parents, not SLHS staff, are responsible for the supervision of students who choose to take their online class off campus instead of on campus in a Computer Lab.

Parent Initials	<u>NO PLACEHOLDER NEEDED:</u> I want my student to take their online class at home as an <u>extra class outside of the regular 6 hour school day.</u>
Student Initials	<ul style="list-style-type: none"> Students may be dropped from one or more online classes if work is not submitted regularly, resulting in failure grades and missing credits that may need to make up outside of the regular school day.

Any students who violate the above expectations in any manner will be subject to disciplinary measures as outlined in the Student Code of Conduct. They may also lose the privilege of the online class and online placeholder altogether and be placed in a different class on campus instead.
