

# AP Spanish Summer Assignment

## Señora Kurela

### Summer 2018

¡Felicitaciones! I am glad that you have chosen to continue your study of Spanish through the AP level. This will help you to be as well prepared as possible for Spanish courses when you enroll in college.

The AP Spanish Language Exam (May 2019) is designed to test your skills in order to see how well they compare to abilities found in a third year college class. The exam will test all of the major language skills: reading comprehension, writing skills, speaking ability and listening comprehension, in addition to general cultural knowledge of the Hispanic world. Therefore, you will need to continue your practice in your skill areas this summer.

These assignments will not take too much time each week, but the work should be spread out throughout the summer rather than trying to cram everything into few days. Cramming does not work with a language! Credit will be deducted for late submissions. Summer assignment is worth a test grade and it will be your first grade for the quarter. **Students will be required to abide by an honor code to speak only Spanish in class.** You may use the online dictionary - [www.wordreference.com](http://www.wordreference.com) or an app on your phone for vocabulary translation. All summer assignments need to be turned in by first day of class.

### Assignment #1: Familiarize yourself with the exam

Become familiar with everything that is published on the AP website about this exam. The test changes periodically, so try to find out specifically about the 2019 exam.

<https://apstudent.collegeboard.org/apcourse/ap-spanish-language/about-the-exam?spanlang>

<http://advancesinap.collegeboard.org/world-languages/spanish>

Look at the tips that the College Board suggests for you:

After you have read through everything, write a short summary (+/- 100 words) **in Spanish or English** of what you have learned about the exam. Include some ideas of how you will be able to best study over the course of the year. You can also include your hopes, plans, areas of concern, etc.

## Assignment #2: Reading practice

Reading is an important part of the AP Spanish exam. To strengthen your Spanish reading comprehension and writing skills, you will read **and summarize 10 news articles in Spanish. You will also document new words you learn and use those words in original sentences.** Use the attached form to record the articles you have read and write your summaries.

You may find news articles at these websites: BBC Mundo [www.bbcmundo.com](http://www.bbcmundo.com) El País (España) [www.elpais.com](http://www.elpais.com) Univisión [www.univision.com](http://www.univision.com)

Centro de Noticias ONU <http://www.un.org/spanish/News> El Universal (México)

<http://www.eluniversal.com.mx/noticias.html> Yahoo en español

<http://espanol.news.yahoo.com/> Prensa Escrita (a listing of newspapers from throughout the Spanish-Speaking world)

<http://www.prensaescrita.com/> Veinte Mundos:

You will read one article for each week in the summer (**total of 10 articles**). The articles are due on the first day of class.

## Assignment #3: Listening practice

You will need to spend **at least five hours** listening to authentic Spanish this summer, in 30 minute increments. You may listen to the radio, CDs, streaming radio, podcasts or TV/movies. You will document the web page, radio name, etc. You will want to vary the type of material you listen to. Find something that interests you. At the beginning it may be hard to understand the first time, so you may listen to it more than once, take notes, etc. Use the attached listening log for each activity.

You may find some interesting items on these websites:

Listening logs should be turned in on first day of class. Date, what did you listen to and how long.

#### Assignment #4: Writing practice

You will be required to **write 10 journal entries of approximately 100 words on topics of your choice**. These can be about your family, favorite TV show or movie, a vacation that you took, holiday, favorite food, places you would like to visit, etc. Be careful not to translate directly from English to Spanish. Your 10 journal entries should be submitted on first day of class.

#### Assignment #5: Grammar review

You will help yourself immensely if you review and refine your grammar skills prior to the beginning of the school year.

Specific topics include: Present tense, Preterite tense, Imperfect

tense, Present perfect/Pluperfect, Ser vs. Estar, Progressive Tenses, Present Subjunctive, Present Perfect Subjunctive, Imperfect Subjunctive, Pluperfect Subjunctive, Commands, Future, Conditional tense, Por vs. Para

Using the following website, review the grammatical lessons 1- 56 and participate in the activities to test your knowledge of each lesson. Do few every other day. Do not leave all 56 to do in one time.

For the grammatical lessons 1-56 you only need to write the number of the lessons that **you did not understand or didn't do so well on** the practice activities.
