

ADVANCED PLACEMENT APPLICATION

Read the following before completing the application.

Please return the application to Mrs. Hohenthauer in office 3-125: Mailbox next to door

Deadline: Wednesday, February 20rd by 2:00pm.

Profile of a Successful AP Student

- * Successfully completes prerequisite coursework
- * Demonstrates successful performance in related content area course
- * Receives a teacher recommendation
- * Professes interest in subject selected
- * Demonstrates excellent study skills and habits
- * Carefully considers time commitments
- * Asks questions and participates in class
- * Perseveres when faced with challenging material
- * Asks for assistance when needed
- * Plans and works ahead on long term projects

Choosing AP Courses and Making Wise Decisions

- * Are you a self-motivated, organized, independent worker?
- * Do you need and/or have support with your organizational skills and/or studies on a daily basis?
- * Are you involved in many activities? Is your interest in this course of study sufficient to ensure that you will find adequate time to complete the extra work required outside of class without having to give up the things you enjoy?
- * How much sleep per night do you require in order to feel rested and be productive the following day?
- * How well do you handle the rigors of a demanding academic workload?
- * Are you realistic about your performance expectations for yourself?

I understand that Advanced Placement courses require summer assignments

I understand that by submitting this application and registering for an Advanced Placement course, I am agreeing to complete the course. I understand that I will not be able to transfer out of the class or drop the class. If at semester a student is earning a "D" or lower, they may be able to request a different course 2nd semester depending on availability. Please understand by signing this form, you also realize that a "C" in an AP course is meeting the standards of the course and cannot be dropped as a result.
