Hello, I would like to introduce myself, my name is Becky Black and I am pleased to serve Sunlake High School's students. I have worked in Pasco County for 20 years as a teacher, guidance counselor and now as the Career Specialist (since 2012). I assist students with their transition from high school to whatever path they choose to take beyond graduation. I serve all high school students, however, most of the students who take advantage of my services are Seniors and Juniors. I pride myself on having an "open door" policy and I try very hard to meet the needs of every student.

I help students with, but not limited to the:

- ♦ College application process and required documents necessary (counselor recommendations, unofficial transcripts, Common App.).

- ◆ College requirements for public & private universities in Florida.
- ◆ 2 year state colleges or technical educational schools/ centers.
- ◆ Financial Aid (scholarships, FAFSA, and grants).
- ◆ SAT or ACT (waivers, test dates, materials, the registration process).
- ◆ Community Service
- ◆ Military opportunities and recruiter contacts upon student request.
- ◆ Career advisement.
- ◆ If you have questions regarding your graduation requirements or schedule, stop by Guidance and request to speak with your grade level counselor. We look forward to working with our Sunlake families.
