

# Freshman Course Request Card 2022-2023

Student Name (Please write clearly): \_\_\_\_\_

Student ID: \_\_\_\_\_

- All students, including seniors, must have **6 courses each semester**, regardless of the number of high school credits previously earned.
- We will do our best to give students their first choice of electives. The remaining elective choices will be considered as alternates if the top elective choices don't fit in the schedule. The requested courses are dependent on grade level, availability, class size, and student qualifications.
- Current academic teachers must sign next to the course to approve the request. Elective teachers will approve courses that have an asterisk (\*). Approvals will be based on past course performance, student work ethic and standardized testing scores.
- Students cannot pick their teachers, class periods, or lunch period.
- If you choose an online course, be sure to indicate if you want to take it on or off campus. Students will not be permitted to have more than one period in the computer lab on campus.
- HOPE can be deferred to sophomore year if enrolled in AP Human Geography. Please write "AP Human Geography" for this option. See counselor regarding athletic waiver or marching band waiver information and record "possible waiver" in the box.
