Summer E-mail: [cotaylor@pasco.k12.fl.us](mailto:cotaylor@pasco.k12.fl.us)

Print and complete the Study Guide that is attached for Chapters 1-3 in the AMSCO book. You are to **HANDWRITE** the study guide on the chapters. Typed assignments **WILL NOT BE ACCEPTED**. The notes should display that not only have you read the chapters, but have grasped the concepts contained in the reading. This assignment is due the first day of class. Students are also expected to be able to intelligently discuss the topics of the reading during the first week of class. Since we will not be covering the first two units (Ch 1-3) of your textbook in class, it is imperative that you learn the material from this assignment. Failure to complete this assignment will severely hurt your chances of success in Advanced Placement United States History.

On the second day of school, you will have a multiple-choice exam on the material from the summer assignment. If you have any questions or concerns during the break, please contact me through e-mail at the given address at the top of this sheet.

**\*\*\*Important\*\*\* Please buy the book in the following link.**

[AMSCO Classic Edition](#)

Many times the link goes dead during the summer. If this is the case, please just google: "AMSCO AP United States History Classic Edition". That should take you to the website. You will want the Softcover Student Edition. Please make sure you are buying the **Classic Edition**. This **WILL BE OUR PRIMARY TEXTBOOK FOR THE YEAR**. It is \$22.95 from their website (as of 5/10/24). By the time they factor in shipping (5-Day) it will be about \$30. It usually takes 3-5 days to get to you if you choose the 5 day shipping. **DO NOT WAIT UNTIL LAST MINUTE TO ORDER**. They get backed up in July and August. If you can find it cheaper elsewhere, go for it. I really believe in this book (ask ex-students, it's great) and it will be yours to mark up throughout the year. However, they are paperback and take a beating. If for some reason, you cannot afford one, please let me know before the first day of school so I can plan on securing one for you.

I am also attaching a pdf copy of Chapters 1-3, so you can start without having the book. **YOU DO NOT NEED TO PRINT THE CHAPTERS.**

## Guided Reading & Analysis: A New World

### Chapter 1- A New World of Many Cultures, 1491-1607, pp 1-13

#### Purpose:

This guide is not only a place to record notes as you read, but also to provide a place and structure for *reflections and analysis* using your noggin (thinking skills) with new knowledge gained from the reading. **Mastery of the course and AP exam await all who choose to process the information as they read/receive.**

**So... young Jedi... what is your choice? Do? Or do not? There is no try.**

(Image Source: AdventureTales.com)

#### Directions:

- Pre-Read:** Read the prompts/questions within this guide before you read the chapter.
- Skim:** Flip through the chapter and note titles and subtitles. Look at images and read captions. *Get a feel for the content you are about to read.*
- Read/Analyze:** Read the chapter. If you have your own copy of AMSCO, **highlight key events and people as you read.** Remember, the goal is not to "fish" for a specific answer(s) to reading guide questions, but to **consider questions in order to critically understand what you read!**
- Write** Write your notes and analysis in the spaces provided OR complete digitally on Canvas. If you are completing paper copy, complete it in **INK!**

#### Key Concepts FOR PERIOD 1:

**NOTE:** College Board released revisions to the APUSH framework July of 2015. The key concepts and objectives addressed in your texts reflect the 2014 version of the framework. This guide includes the 2015 revisions to the key concepts. In general, the expectations are not that different. College Board simply sought to clarify and simplify the expectations.

**Key Concept 1.1:** As **native populations** migrated and settled across the vast expanse of North America over time, they developed distinct and increasingly **complex societies** by adapting to and transforming their diverse environments.

**Key Concept 1.2:** Contact among **Europeans, Native Americans, and Africans** resulted in the **Columbian Exchange** and significant social, cultural, and political changes on both sides of the Atlantic Ocean.

## SECTION 1 - Period Perspectives, p.1

Consider the data in the chart at right as well as page 1 of the text when completing this section.

- Period 1 begins with 1491. If the American Indian population in what is now the United States was nearly 10 million before 1492, why is the United States population in modern times only 2 to 3% American Indian?

- Period 1 ends with the establishment of Jamestown, the first permanent British settlement in North America. Explain why 1607 is a major turning point in United States history.

## Food for Thought:

Like the rest of us, you probably bought the ol' Thirteen Colonies story, but it's not an accurate depiction of colonial America for most of its history. In 1606 King James I chartered just two companies to settle North America, the Virginia Company of London and the Plymouth Company. As settlements were founded, each new city was recognized as its own colony: for example, Connecticut actually contained 500 distinct "colonies" (or "plantations") before they were merged into a single colony in 1661. Sometimes colonies were mashed together into mega-colonies, like the short-lived, super-unpopular Dominion of New England, which incorporated Massachusetts, Rhode Island, Connecticut, New Hampshire, and Maine from 1686 to 1691, plus New York and New Jersey from 1688 to 1691 for good measure. Colonies also split, like Massachusetts, which spawned New Hampshire in 1679. And some colonies weren't really colonies at all: while it's often listed as one of the Thirteen Colonies that rebelled in 1775, Delaware wasn't technically a colony or a province. Designated "the Lower Counties on the Delaware," it had its own assembly but fell under the authority of the governor of Pennsylvania until it declared itself an independent state in August 1776. So technically, there were just 12 colonies in 1775 and 13 states in 1776. (Source: *The Mental Floss History of the United States*, Erik Sass, 2010)
